

The Twin Cities Linux User Group Presents:

LINUX INSTALLFEST!

**Saturday, October 23rd 2004
11am – 5pm**

**The Renaissance Box
509 Sibley Street
Saint Paul, MN 55101**

1st floor North Event space

FREE and open to the public!

The TCLUG Linux Installfest is your chance to get the award winning, powerful, free, and stable Linux operation system installed on your computer for no charge. Simply bring in your computer, and we will help you get Linux installed and configured.

You do not have to give up your existing operating system to install Linux. That is, if you already have Windows on your system, you can have Linux installed too and decide which to use at boot time.

Just Curious? Stop by and check out Linux!
